WELCOME TO YACHT CLUB DE LA BAULE

Founded in 1986 the Y.C.L.B. perpetuates the historical yachting tradition of the bay of La Baule by scheduling a great number of regattas as well as renowned sailing events all along the year. The Y.C.L.B is allied to the Yacht Club de France

The Yacht Club de La Baule dynamism and highly acknowledged nautical expertise makes it a highly sought-after partner for organising high-level competitions locally.

Situated right at the entrance of Le Pouliguen – La Baule port, its cosy Club-house and large terrace overlooking the beach and the bay makes it the ideal venue for hosting great international yachting events.
